

Online Databases and Websites for Global Awareness: Thailand and Vietnam

Students should consult a variety of resources for information on their topic, and take notes before beginning to create their PowerPoint.

These are recommended:

ABC-CLIO Social Studies: maps, chronologies, timelines, essays, images, quotations, video clips especially for World Geography, World History, Issues.

AP Images: five million news photos from 1828 onwards.

Academic Onefile: journal articles on virtually any subject or issue.

CultureGrams: easier to read format of information on more than 200 countries. Grolier Online: online encyclopedia, especially see Lands and Peoples.

Religion & Philosophy: study of theological approaches to social issues and its impact on cultures throughout history.

Worldbook Online: English and Spanish.
